

Micron

DOWNLIGHT

As its name suggests, the Micron Downlight presents a cost-efficient luminaire with a slimline trim, whilst retaining easy installability and class-leading performance. Its deep seated recessed design provides excellent visual comfort that would be perfectly suited to multi-residential developments.

- Slimline trim for seamless integration into ceilings
- Deep seated recessed design for superior visual comfort
- Unique shallow heatsink design suitable for minimal ceiling spaces
- Designed with performance and value in mind
